Re:Album mod for phpfox v1.6

Posted by admin - 2007/12/27 18:37

This mod has been upgraded to work with the latest version of phpfox (v1.6 final build 17).

Aside from the fixes that were made to allow this mod to work with this version, Users can now upload up to five (5) pictures at a time.

I've bought this mod, payed for it via 2checkout.com but never received the files. Is this a trick?

=====

Re:Album mod for phpfox v1.6

Posted by admin - 2009/07/26 15:01

Hi, there is no trick here. Your payment has not been cleared by 2checkout. Please check with them.
